HOW TO

SAY CHEESE! & SAVE A MEMORY

Enjoy the Kodak Printomatic Instant Camera. Snap a moment, print a memory, it's our little gift for your stay at **Thirteen4Six**.

1. Power On – Slide the switch on the side.
2. Point & Shoot – Use the viewfinder and press the top button.
3. Prints Instantly – Your photo will pop out the side! Each one is also a sticker.

Please leave the camera behind, it's part of the 1346 Oak Street experience. Thank you!
